## *Tarangire Sopa Lodge | Tarangire National Park*

Tarangire National Park is one of Tanzania's best-kept secrets. Close to the town of Arusha and hosting Tanzania's highest concentration of elephant population in Africa, perhaps than anywhere else in the world. It has a horizon dominated by the magnificent baobab trees, Legend says that baobab tree once angered God and it was thrown to earth and planted upside down. The trees are known to live for hundreds of year, some say thousands of years.

Tarangire sopa Lodge has 75 large and airy rooms, accommodating 150 guests. Built to blend with the vastness of its surroundings, the Lodge nestles amongst the rocky outcrops in the north-east of the park. As the Lodge is one of only a handful in this park, visitors are often rewarded with an exclusive feel to their safari. Each of the suites has its own private lounge with mini-bar, en-suite bathroom, large bedroom with 2 queen size beds and a balcony. The Lodge has telephone facilities, satellite TV, a conference room and a uniquely-designed swimming pool with a central island.

## *Ngorongoro Serena Safari Lodge | Ngorongoro Conservation Area*

Nestled high on the jagged rim of the Ngorongoro Crater and shrouded in mist, the Ngorongoro Serena Safari Lodge is a stunning example of ecological and architectural harmony. The boulder-built buildings of the Lodge are camouflaged by indigenous creepers and linked by timber walkways that skirt ancient trees. Inside, guests are greeted by the hushed ambiance of a game-viewing hide and the ochre, rust, and charcoal imagery of a prehistoric cavern, decorated with Maasai iron spears, bright-beaded robes, and intricately-carved artifacts. The rooms, strung around the crater rim, are adorned with brass lamps, wildwood mirrors, and Maasai carvings, each featuring its own rock-enclosed balcony and uninterrupted views of the Crater below. After a day of adventure, guests can follow a gentle nature trail, take a guided walk to the Crater's rim, or simply relax with a herbal massage as the sun sets behind the mountains. Explore the Cradle of Mankind at Ngorongoro Serena Safari Lodge and experience one of the most unique travel experiences in the world.

### *Serengeti Serena Safari Lodge | Central Serengeti*

Perched high on an acacia-lined ridge overlooking the vast, grassy plains of the Serengeti, Serengeti Serena Safari Lodge seamlessly blends traditional African architecture with modern style to offer an award-winning hotel experience. Stay in stone-built, thatched-roof "rondavel" lodges, dine under a blanket of stars, and enjoy unforgettable adventures such as private safaris, guided nature walks, and massage treatments. The lodge is centrally located near the Western Corridor and Grumeti River and boasts a pool that looks out over the endless plains. Cultural entertainment is on offer, with traditional Makonde carvings adorning the rooms and the stunning domed dining room showcasing performances, heritage, and art.

### *Ashnil Mara Camp | Masai Mara National Reserve*

Ashnil Mara Camp comprises of 56 luxurious tents set overlooking the picturesque vast of Mara. Ashnil Mara Camp lies inside the renowned Masai Mara Game Reserve, along the confluence of the Mara and Olkeju Rivers. It comprises of luxurious tents overlooking the picturesque vasts of Mara plains famous for the wildebeest migration feted as the seventh wonders of the World. Come catch the migration amid a raw blend of luxury and the wild. The game drive experience offered is guaranteed to fascinate any safari enthusiast. For those in love with flora and fauna, the drive to go on a safari is triggered by the desire to see wildlife and vegetation in their natural habitat .

## Lake Naivasha Sopa Resort | Naivasha

Naivasha is a Masai name given to the area, denoting the characteristics of the lake.

21 cottages are built in a crescent shape, and each has four rooms, totaling 80 standard rooms and Two suites. Two of these rooms are suitable for the physically challenged. Six of the 21 cottages have interconnecting rooms on the ground floor.

Rock gardens feature vibrantly coloured flowers, which give a beautiful contrast to the greenery of the well-manicured lawns. Monkeys play on the lawns and different species of birds chip in the trees. Pathways wind between the open lawns and frangipanis, with aloes and proteas growing in abundance. The acacia trees are plentiful in this area and provide welcome shade. The stone exterior walls of the cottages are carried into the rooms. Ground-floor rooms have two queen-size beds and a sunken living room at the front, which opens out on to the beautifully manicured lawns.
